FUNNY COMBINATIONS

WITH MEMORY GAME: MATCH THE PICTURES

BOOK + MEMORY GAME

This sturdy little box contains a book and memory cards, so you can read and play together! The animals feature both in the book and on the cards. A concentration game with a twist: two cards make one animal. Can you match the legs to the rest of the animal?

- The game stimulates concentration and the memory through play
- Colourful and fun design
- Sturdy cards in a handy box
- Perfect size for small hands

BLOW OUT THE LIGHTS!

SOLD: SPAIN

NEW

Marijke Buurlage (1989) is a Dutch illustrator who's work is vibrant, light-hearted and playful.

Her favourite things to draw are animals and botanicals. She mostly illustrates children's books, but is also known for her packaging illustrations. She loves bringing a smile to people's faces with her colourful creations.

LIGHT BOOK

These cheerful books come with a special surprise: the lights can be turned on and off! Read the rhymes out loud and blow out the lights before you turn the page. These will be certain bedtime favourites, as each story ends with one of the animals blowing out the light and going to bed.

- **With lights that are turned on and off by blowing**
- **Fun rhymes and cheerful illustrations**
- **Perfect bedtime stories**
- **Interactive book for young children**

TRAIN PUZZLE

These beautiful boxes with a handle contain a puzzle in the shape of a train and a cardboard booklet with a story in rhyme. The characters are going on an adventure, but not before everyone has found a place on board! The puzzle is a whopping 130 centimetres long and, best of all: every theme can connect to the next one. How long will your train be?

- Popular on social media
- Colourful and fun design
- Recognizable pictures for toddlers
- Sturdy cardboard box with handle

EVERYONE CAN DRAW

Learn to draw in three steps with illustrator Marc De Vos. He shows that with a few basic shapes, you can draw anything you want. The plastic template at the back of the book features these shapes; you use it in step one. Thanks to the clever drawing tips and clear explanations, the animal is finished in three short steps! Richly illustrated, packed with animals and with plenty of space to practice for yourself.

- Includes a handy drawing stencil
- Step by step instructions
- Sturdy paper, leaving no imprints
- Full of fun animals
